

There is a vacuum of leadership in Haiti and in all of the Third World Countries. God wants to restore the leadership government and put it under His control. Without divine guidance people will surely fail and God does not want a Third World to exist at perpetuity in our midst. He wants to do something about it. Dr. Wallnau and Dr. Chironna are making [The Power of Convergence](#) available as a tool to help people achieve a state of Convergence, prepare them for leadership positions for a better tomorrow.

*Set Sail*

---

*God Reigns, Love Rules*

**The system of Government:** “Of His government shall be no end”  
**ISAIAH 53-6**” *All we like sheep have gone astray; we have turned every one to his own way; unto us a Son is given: and His name shall be called Wonderful, Counselor, The mighty God, The everlasting Father, The Prince of Peace, and the government shall be upon His shoulder:: [and I will commit thy government into His hand:](#) and He shall be a father to the inhabitants of“.* ←Haiti→

## **The authority of Government**

You must let yourself be dominated by His government; this is your only chance for success. You must receive your dictates from Him and take your cues from Him to be effective and fruitful. The forces that rule the land, the forces that have dominion over the minds of the people will not relinquish their position, their power without authority. All power and authority have been given to Him in heaven and on earth; the government of this world rests on His shoulders. He is the only one with authority to dislodge the strongman who is occupying the space that you want to invade. Those forces will not bow to you, you are pin down by them, and all of your efforts will come to naught without Him. You need power and you need authority to dislodge the occupying powers before you can begin the work of reconstruction, a reconstruction worthy enough to glorify God.

### **Who has the authority?**

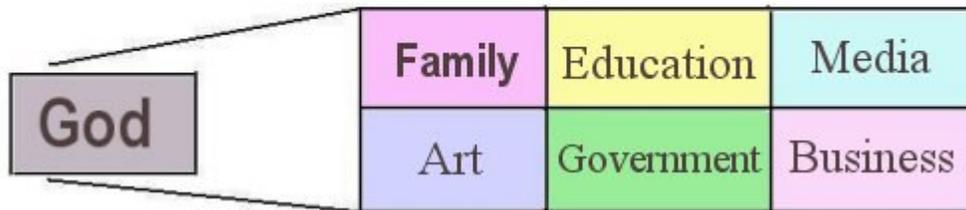

**PSALMS 24-7** *“Lift up your heads, O ye gates; and be ye lift up, ye everlasting doors; and the King of glory shall come in. Who is this King of glory? The LORD strong and mighty, the LORD mighty in battle. Lift up your heads, O ye gates; even lift them up, ye everlasting doors; and the King of glory shall come in. Who is this King of glory? The LORD of hosts, he is the King of glory”.*

If you want to close the gates of hell, the ghettos, the slums, remove the state of stagnation, retardation, close the doorways to hell on earth, the only person who has the authority to do so is Jesus Christ. The strongman will not allow you to succeed. You must subordinate yourselves to God’s authority and His government; you have no choice.

**[Spheres are mind molders of culture; they shape nations](#)**

## What are the Spheres?

# The Seven Spheres That Shape Nations

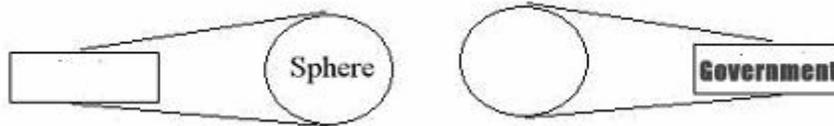

## The Seven Spheres of Influence

- 7\_ Religious Sphere: **God**: The Church, Religion, Faith
- 6\_ Family Sphere, parents shaping children
- 5\_ Education Sphere: Teaching children, shaping their mind
- 4\_ Government Sphere: Write the law, the support system
- 3\_ Media Sphere, spin machine, Talk show, Entertainment
- 2\_ Art Sphere: Songs, things we laugh at
- 1\_ Business Sphere, Finance, Technology

## The Government sphere

■ Government will influence culture and shape nation because they make the law, run the administration, etc.;

### ■ The Haitian Government

#### EXECUTIVE BRANCH

- The President
- The Prime Minister
- The Cabinet
- Advisor/Mentor/Benefactor:

#### LEGISLATIVE BRANCH

Parliament = The Senate + The Chamber of Deputies

# THE JUDICIAL BRANCH

**Supreme Court**  
**Courts of Appeal**  
**Courts of Assizes**  
**Justice of the Peace**

All of these branches of government must willingly and deliberately learn to be in convergence that is they must learn to defer their authority, their egos to God and let Him take the lead.

My name is Jean “*Robert*” Noel, I am promoting “*The Power of Convergence*” as a tool to prepare people to leadership, bring them into a state of Convergence so that God can guide them to success in their individual assignments. I am trying to put together seminars twice per month in Haiti for NGOs, public officials, government officials, people in the private sectors that are in leadership positions; Dr. Chironna and Dr. Wallnau will help them get into convergence.; guarantee them success where no amount of resources and well intention can help them achieve.

You cannot impact the culture without first understand the culture. This statement is true, this is why we are teaching people, helping them learn the Haitian culture, helping them understand the forces responsible for the state of stagnation, retardation and poverty that exists Haiti. We are helping them tap in the source that could give them the power to impact the spheres that shape nations. You cannot dislodge the power, the principalities that have dominions over the minds of people without having power yourself. Many came before you with good intention and they failed because they did not take in account the powers that occupy the space that they want to invade. These powers will block you and keep you from taken your people to the next level if you don’t develop the strategy and have the power to deal with them. To change culture, remove out of it whatever that is that is responsible for the state of stagnation, retardation and poverty; you must impact the spheres that mold the minds of the people. The powers that have dominion over those spheres have to be dislodged; you need power to do that. Convergence is helping you utilize your gifts, your talents, your anointing and put them under submission to God so that you can have the maximum success guarantee.

## **What we are offering you**

[What we are offering you as leaders of Haiti, the NGOs or corporations, government officials, public officials, entrepreneurs, people who are in leadership positions is a chance to be successful in a place where no amount of resources and good intention will give you. We are trying to get you into a state of convergence, helping you tap into the realm that will cause you to be successful]

## **Rewards and benefits**

■ If you don’t have the competence to engage the culture; you will loose your chance to reap the fruit of your labor. The question is: “What is the wisest way we can approach engaging the powers of darkness that guarantees us the victory; the kind of way that gets us the victory that Jesus and the apostles had? We are not here simply to dialogue; we are

here to see that the power of God hit the people of Haiti and begin to thrust them into the next arena of destiny.

## **He was tested on the basis of His identity**

■ When you are crossing over into your role, you will be stopped to be tested. You are no different from Jesus; while He was on his way to His future something interrupts the journey in order to test if He is really qualifies to access the level He was about to step into. Which means that you are not wrestling with your present circumstance you are wrestling with the strongman who is occupying the sphere that you are about to take possession of.

## **Facing the reality of Convergence**

■ If we are going to move in the whole concept of convergence; if we are going to reach our full potential, the reality of what Jesus went through has to be taken into the practical level of our internal response mechanism to our destiny. In some level you must learn to put your ego aside so that the greater part of your life in God can manifest.

## **The challenge of Convergence**

■ How do you come to a place where you put your ego aside and not move in ego but in the power of the spirit; that is the challenge. How do we allow God at an internal level to deal with our ego so that we can access that realm that causes us to be influential?

■ When you are in convergence you embrace the fact that you are not in control of a lots of things. You must develop a sense of the presence of God so that at some point you don't try to go pass what God is given you. When you are in the assignment that God calls you to do, it is where you are going to have the greatest fruitfulness and greatest effectiveness. When you know that this is where that you are supposed to be, when you can walk in the peace of God in the midst of chaos; when you know that is where you are suppose to be; it equalized the situation.

■ If you want to be successful get your people to attend a seminar by Dr. Lance Wallnau and Dr. mark Chironna. You may book them at address below
